“Who Is Jesus?”

What a Difference a Lens Makes
Lesson 5: According to Paul

In our first four lessons, we studied how the Gospel writers expressed their understanding of Jesus from their varied and various perspectives. They all narrated the life and ministry of Jesus and concluded their stories with his death and resurrection. Now we turn to the writings of the apostle Paul, who portrays the crucified and risen Lord. Carol Garner will lead the study.

PW will volunteer at **Rahab’s Sisters** on Friday, January 13. If you would like to volunteer for this program, please sign up in the Fireplace Room. We are collecting gently used and new socks and any warm winter clothing for the women at Rahab’s Sisters. Please place your donations in the box in the Narthex marked for Rahab’s Sisters. Thank you.
